

**LP-12575 Modular Raceway****Section: 31.75 mm x 11.11 mm (1 ¼ x 7/16 inches) Length: 2 m (6.5 ft).**

LP12575\_SS\_ENB01W

**Features**

- Low cost solution for assembling the main raceway path of a surface-mounted structured cabling.
- Compatible with the same section fittings for any type of installation.
- Facilitates installation of Category 5e, 6, 6A, 7, and fiber optic distribution.
- Section: 31.75 mm x 11.11 mm (1 ¼ x 7/16 inches) x 2 m (6.5 ft.) length
- Material UL94V-0.

**LP-12575****Modular Raceway****Section: 31.75 mm x 11.11 mm  
(1 ¼ x 7/16 inches) Length: 2 m (6.5 ft).**

**The LP-12575** is a modular raceway extruded with a section of 31.75 mm x 11.11 mm (1 ¼ x 7/16 inches) and a length of 2 m (6.5 ft).

It is a very elegant, functional, and affordable solution to build the main path in structured cabling protection of commercial, industrial, or residential environments affixed to a wall or surface.

Easy to cut to size.

It is a component of our line of products for cable management and comes with a very strong and durable adhesive backing for fixing to a clean surface. It is compatible with fittings of its size, surface boxes used for faceplates, ground cable guards for cable management, etc.

This raceway can be painted with a latex based paint, easy to install and use.

It is manufactured with fire resistant PVC, compliant with UL94V-0. It holds, guides and protects wires carrying up to 600 Volt.

It is possible to supply them in custom colors by special order.

**A Specifications**

<b>Model</b>	<b>LP-12575</b>
Material	PVC
UL classification	UL94V-0
Color	White
Parts	2
Adhesion	Double face 3M tape
Uses	Voice, data, coax, audio, video, optical fiber (up to 600 VAC)
Dimensions	Width: 31.75 mm (1 ¼") Height: 11.11 mm (7/16") Length: 2 m (6.5')

**B How to Order**

**LP-12575 Modular Raceway, section: 31.75 mm x 11.11 mm, (1 ¼ x 7/16 inches), length: 2 m (6.5 ft).**
