Glass Door

Note:

This picture shows a typical NetworkRack Cabinet door, the actual lock/handle mechanism can vary from that shown.

LP-R807GSY8XXS 8000 Series NetworkRack Cabinet solid External Frame Glass Doors with Swing Handle Lock.

The **LP-R807GSY8XXS** Solid External Frame Glass Doors for 8000 Series NetworkRacks with swing handle lock, combine security visibility and is suitable for mixed equipment environments.

The biggest challenge facing many IT managers today is how to keep their rack mounted equipment cool. To support this objective, we recommend the use of forced ventilation as there is no air circulation through this type of door.
