## SLANPRO

## 123 Manual for the installation of the LP-N24U Wireless USB Adapter.

LPN24U\_M123\_ENB01W

## 123 Manual for the installation of the LP-N24U Wireless USB Adapter.

- 1 In order to begin, please use the corresponding CD or download the set of drivers form the web page **www.lanpro.com** and then proceed to unzip the files.
- Please proceed to introduce the LP-N24U into a free USB Port in your PC or Portable equipment as shown in figure 1.

The operating system will show a pop-up window indicating that a new device was found, then select:

**Cancel** as shown in figure 2.

Figure 1

Found New Hardware Wiz	ard
	Welcome to the Found New Hardware Wizard         Windows will search for current and updated software by looking on your computer, on the hardware installation CD, or on the Windows Update will be with your permission).         Read our privace policy         Can Windows connect to Windows Update to search for software?         Yes, this time only         Yes, now and every time I connect a device         No, not this time         Click Next to continue.

- Figure 2
- Proceed to insert the installation CD in the CD Drive of your PC, it will execute automatically. If it doesn't, please select: My PC followed by the drive unit where the software is located, find the corresponding directory and execute the file named: **LANPRO** as shown in figure 3.
