

## LP-OMNIMOBILE2407 2.4 GHz 7 dBi Omni Mobile flexible antenna with magnetic base.

LPOMNIMOBILE2407\_SS\_ENB01W

### Features

- 2400-2484 MHz Frequency Range.
- 7 dBi Antenna Gain.
- 50 W Maximum Power.
- Omni Mobile Antenna.
- SMA Male Connector.
- Magnetic Base.
- Rugged, Lightweight and Waterproof.
- E-plane = 24°.

### LP-OMNIMOBILE2407 2.4 GHz 7 dBi Omni Mobile flexible antenna with magnetic base.

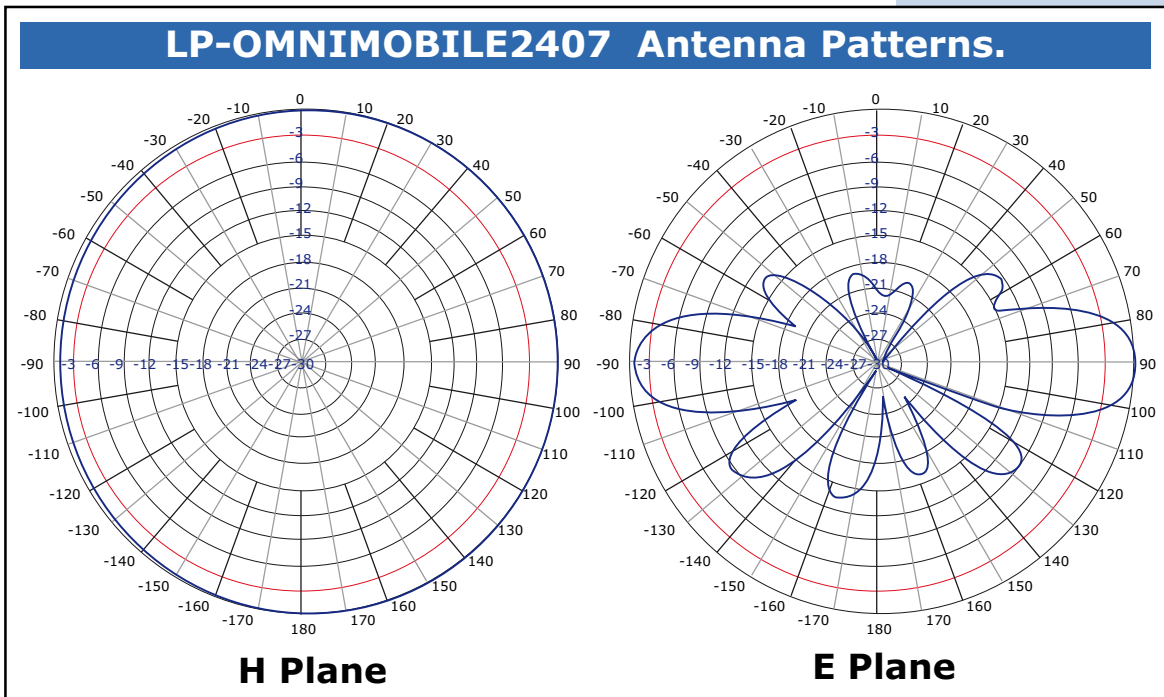

Designed for 2.4 GHz Spread Spectrum automobile terminal communication system.

Uses stainless spring material, and features high Gain, fine VSWR, good flexibility and long lasting performance.

**A Specifications**

Model	LP-OMNIMOBILE2407
